

Application for Funding Consideration 2017-2018

The Weston Women's League hosts events to raise funds for local non-profit agencies that improve the community. WWL accepts applications from non-profits to receive these funds. The Philanthropy Committee reviews all nominations and beneficiaries are chosen through a membership vote.

Applications are accepted year-round, but to be considered for funding this year, applications must be submitted by **August 15th**.

To be considered as a beneficiary, organizations must be tax exempt under section 501(c)3 of the Internal Revenue Code

While organizations may apply for general operating support, requests for specific programs and projects tend to be more successful.
